Discovery for Credit

Your WorldStrides DiscoverNow! program is so much more than a typical field trip. Each itinerary is built around WorldStrides' accredited curriculum that allows students the option to earn high school or college credit.

What is involved?

Discovery for Credit is an online learning opportunity offered in conjunction with WorldStrides DiscoverNow! travel programs. Content and assessment for all courses are developed and maintained by the WorldStrides education team, eliminating the Program Leader's need to provide additional instruction or grading.

How does it work?

To access Discovery for Credit, students must log in to MyTrip using their Trip ID and Customer Account Number. Once logged in, students can access their Discovery for Credit Dashboard to enroll in the appropriate courses and complete the required online assignments. Online instructors are available to answer questions throughout the process.
